

## **SPECTRON**

**Environment Policy** Effective Date: 05.01.2026

**Revision:** 01

**Approved By:** Management

**Applicability:** All eligible employees across functions and locations

### **1. Purpose**

The purpose of this policy is to demonstrate the Company's commitment to environmental protection, sustainability, and responsible business practices by minimizing adverse environmental impact and promoting efficient use of natural resources.

### **2. Scope**

This policy applies to:

- All employees across functions and locations
- Contract workers, consultants, and trainees
- Vendors, suppliers, and service providers engaged with the Company

### **3. Policy Statement**

The Company is committed to conducting its operations in an environmentally responsible manner by:

- Complying with applicable environmental laws and regulations
- Preventing pollution and minimizing waste
- Promoting conservation of energy, water, and natural resources
- Encouraging environmentally responsible behavior among employees and stakeholders

### **4. Environmental Objectives**

The Company aims to:

- Reduce environmental footprint arising from business operations
- Promote paper reduction and digital processes
- Encourage recycling, reuse, and waste segregation
- Improve awareness of environmental responsibilities

### **5. Compliance with Environmental Laws**

**SPECTRON**

**Employee:** Why does the Company have an Environment Policy?

**HR Representative:** The policy ensures that we operate responsibly, comply with environmental laws, and contribute positively to sustainability while conducting our business.

**Employee:** What is expected from employees under this policy?

**HR Representative:** Employees are expected to conserve resources, reduce waste, follow segregation practices, and avoid activities that may harm the environment.

**Employee:** Does this policy apply to vendors as well?

**HR Representative:** Yes. Vendors and contractors operating at our premises are expected to follow basic environmental norms and Company guidelines.

**Employee:** Thank you. It's good to see environmental responsibility being taken seriously.

**HR Representative:** You're welcome. Environmental responsibility is a shared effort, and every small action counts.

Yours Sincerely,

For **Spectron Engineers Pvt. Ltd.**
